**January - March | 3 quarter credits**

- **NURS 340** - Transformational Leadership  
  (3 quarter credits)

DCCC: 10 semester credits  
Drexel: 3 quarter credits  
**Total Minimum Fourth Semester Credits: 13**

## Students Take the NCLEX

**DCCC Total Credits: 71**  
**Drexel Total Credits: 15**

The summer after students have completed their ADN program, students will take the NCLEX exam. Students wishing to progress toward the BSN are required to complete all DCCC * prerequisite courses, all DCCC** corequisite courses. Students must also have passed the NCLEX exam and have a GPA of 2.0 in order to enter the RN-BSN program at Drexel University. If additional ***BSN general education courses still need to be completed, students may work out a plan of study with their Drexel academic advisor to complete these requirements either at DCCC or at Drexel. Billed and Funded by Drexel when student fully matriculated into Drexel University.

## Drexel University – Final Year

**RN-BSN Drexel Plan of Study**

### Fall Quarter

**Fall AY - 4 Term = 10 weeks**  
**September 22 - December 7 | 13 quarter credits**

- **NURS 380** - Complex Systems of Care  
  (4 quarter credits) *Pre-requisite: NURS 324*  
- **NURS 330** - Research Basis of Nursing (WI)  
  (3 quarter credits) *Pre-requisites: MAT 121 or MAT 210, or BUS 220, and NURS 324, and NURS 325*  
- **NURS 375** - Nurses Building a Healthy Community  
  (6 quarter credits) *Pre-requisites: NURS 346 - Advisor Restriction*

  (3 quarter credits) *Pre-requisites: NURS 325, NURS 330, NURS 375 – Advisor Restriction*

**Final Year RN-BSN Program Drexel Total Credits: 29**

## BSN Degree Awarded
In order to determine halftime and full time status the conversion formulas are below:

The Quarter to Semester conversion is 2/3 or (multiply by .667). We do not round up and all credits are administered on the .5 interval. Example a 3-credit quarter course would be 2 Semester credits. When applying the conversion, it is rounded down to the nearest .5 and not up to the whole credit.

The Semester to Quarter conversion would be 3/2 or (multiply by 1.5). We do not round up and all credits are administered on the .5 interval. Example a 3-credit semester course would be 4.5-quarter credits. When applying the conversion, it is rounded down to the nearest .5 and not up to the whole credit.
